

KARI GRAN
STEP-BY-STEP SKIN CARE PROCESS
MORNING

Hydrate & Nourish: No need to cleanse in the morning, a quick rinse with water will do.

Step 1: Mist 3-4 pumps of hydrating tonic onto face and neck.

Step 2 & 3: Apply 1-2 pumps of serum onto fingertips and massage on face and neck as a moisturizer.

OR use Hydrating Mist with Serum: Mist 3-4 pumps of hydrating tonic in the palm of your hand and add one pump of serum. Rub hands together and apply to skin.

Step 4 & 5: Add a few extra drops for eye, neck and décolleté areas.

Done! Your skin will thank you.
